AASTHA TUTORIALS

EMPOWERING MINDS..... SINCE 2007

PROF. VINAYAK SUBHASH TATE

- We believe in conceptual learning and steady growth which results in long term success.
- Our qualified staff believes in understanding the study and behavioural pattern of every student and helps them to excell well in academics.

- Our motive is not being successful in educational field but bringing about over all development in students.
- We focus on their strengths and weakness and bring out the best in them.
